Early Learning Educator – Quality Standards

The Early Learning Educator will be evaluated within four performance areas: Organization and Preparation, Interpersonal Skills and Professional Attributes, Program Delivery, Service Delivery of Students, and.

- All areas should be marked as proficient, needs improvement, or not applicable. For the purposes of this form, “proficient” describes job performance that meets the minimum standard of performance in each area. “needs improvement” describes job performance that does not meet the acceptable standard in an area
- All marked “needs improvement” must be accompanied by supporting documentation.
