

Announcement: Senior Leadership Reorganization

Horizon School Division is pleased to announce the appointment of Mrs. Terri Duncan, Assistant Superintendent of Learning Services and Mrs. Robbie Charlebois, Assistant Superintendent of Human Resources effective January 2020. The departure of Anita Richardson, Associate Superintendent of Programs and Human Services allowed the jurisdiction to find cost savings within senior administration by reducing one position and redistributing responsibilities.

Both Robbie and Terri are currently within senior leadership roles within Horizon. We are pleased to be able to draw upon their vast knowledge and experience to maintain continuity with regard to the level of supports being provided to schools during Alberta's fiscally uncertain times.

Robbie's primary areas of responsibility will include:

- Human Resources
- Labour Relations
- Teacher Evaluation
- Induction and Mentorship
- Career Counselling
- School Calendars
- Jurisdiction Student Engagement/Leadership
- Indigenous
- Low German Mennonite Consultation

Terri's primary areas of responsibility will include:

- Inclusive Learning and Behaviour Supports
- Early Learning and Speech Language
- English Language Learners
- International Education
- Health and Wellbeing

We welcome Robbie and Terri to their new positions.
