SECTION TWO

Mennonite Liaison Consultant – Quality Standards

The Mennonite Liaison Consultant will be evaluated within four performance areas: Organization and Preparation, Interpersonal Skills and Professional Attributes, Program Delivery and Service Delivery.

- All areas should be marked as proficient, needs improvement, or not applicable. For the purposes of this form, “proficient” describes job performance that meets the minimum standard of performance in each area. “needs improvement” describes job performance that does not meet the acceptable standard in an area
- All marked “needs improvement” must be accompanied by supporting documentation.

This document sets out four performance areas. The key indicators for each performance area identify the activities that Mennonite Liaison Consultant undertake as they go through their day-to-day work. The descriptors support the key indicators, though evidence of all descriptors would not be expected at all times.
